

Guidelines For Patrons Of HDTA Centres

For tennis to remain open during the COVID-19 crisis, every one of us needs to play our part.

HDTA have introduced the following policies in relation to the evolving issue of COVID-19. We ask ALL PATRONS visiting our centres at Castle Hill and Dural to strictly follow these policies for the safety of our coaches and other players or you will be asked to leave.

- There are restrictions on the number of people allowed inside the pro shops at one time. If you do not need to be inside the pro shop, wait outside.
- Respect social distance between other people – a minimum of 1.5 metres away from anyone.
- **NO MORE THAN 4 PEOPLE ARE ALLOWED ON A COURT (including coach or spectators).**
- **LEAVE THE COURT GATES OPEN – so players can avoid touching these surfaces.**
- If you need to make payments for any service relating to HDTA use direct deposit to the following account number instead of coming into the office (we no longer take cash).

Account Name: Hills District Tennis Association

BSB: 082-155

Account No. 035155766

Reference: Please use Players Last Name & initial as reference

- Payments to independent coaching operators Castle Hill Tennis Academy and Dural Park Tennis should be made to their bank accounts. Speak to them to obtain the correct details

IMPORTANT HYGIENE REMINDERS

- In consideration of coaches and players, **before taking the court, ALL players must wash their hands with soap for at least 20 seconds or use hand sanitiser.**
- Players should avoid the practice of shaking hands at the end of the match. A simple “thank you” or other polite acknowledgement is sufficient in the current environment.
- Cover coughs and sneezes with a tissue or by coughing into your elbow.
- If you have travelled or plan to travel overseas, DO NOT visit our centres for at least 14 days after returning.
- If you develop a fever, cough, sore throat or shortness of breath, or have been in contact with someone diagnosed as having CoronaVirus (COVID-19) DO NOT attend the centre for at least 14 days.
- **HDTA or your coach should be immediately advised if you are confirmed as having CoronaVirus and have attended any of our tennis centres in the last 14 days.**
- Only people core to playing should attend tennis activities such as players, participants, coaches and operational personnel
- Arrive and leave as close as possible to when you need to be there
- Only one parent/guardian should accompany younger children where possible.
